

# SCHOOL RADIO CLUB!

- + Learn about radio codes and operating procedures
- + Practice portable radio operation
- + Talk to shortwave radio stations around the world
- + Check in with regional schools and regular radio nets
- + Participate in radio sports and contests
- + Explore the history and technology of radio communications
- + Send and receive Morse code with a telegraph key
- + Set up your own simple antennas and radio stations
- + Get the Radio Club booklet, proficiency badges, QSL cards and more

The Radio Club operates in the School Library on library days. It is for small groups, by invitation only. Simply fill out this form to participate.

I \_\_\_\_\_ give permission for \_\_\_\_\_ to talk to other licenced radio operators on air as part of a supervised group participating in the School Radio Club activities.

Signed \_\_\_\_\_ Date \_\_\_\_\_.

I \_\_\_\_\_ give permission for \_\_\_\_\_ to be photographed participating in the School Radio Club activities. Photographs may be used to promote the School Radio Club on Amateur Radio web sites and in Amateur Radio magazine.
